The 'Our Upland Commons' project is a national partnership project led by the Foundation for Common Land and includes organisations like Shropshire Wildlife Trust, Natural England, National Trust and Shropshire Hills AONB. These and other partners, have contributed financially and in kind, to make this project a reality. Major grants have also been awarded from National Lottery Heritage Fund, the Esmée Fairbairn and Garfield Weston Foundations as well as many smaller grant giving trusts including the Shropshire based Millichope Fund.

We are grateful to the local Community Wildlife Groups and the West Midlands Butterfly Conservation volunteers, for their part in helping to organise, promote and support these Butterfly and Moth sessions and surveys as part of the Our Upland Commons project.

To book onto or ask questions about any of these sessions please contact the Our Upland Commons Butterfly and Moth Co-ordinator Mike Williams via mike2dewberry@hotmail.com
